

CosieVic Nudesletter - May 2024

Hi fellow CosieVic'rs,

Welcome to the May Nudesletter... with the regular venue still being closed and the cooler months now upon us, there is not much news to share on events so this newsletter is going to be a short one.

The CosieVic committee still have our fingers crossed for a June reopening, and therefore our events starting back. As soon as we have an update, we will let you (our community) know via our monthly newsletter and the Meetup events.

Next Event:

As stated above, unfortunately our events are still on hold due the major renovations underway at our regular swim venue.

According to the venues website they are still on track for reopening in June, which means we are planning to be ready for our next clothing optional event to be Sunday 23rd June 2024 (unless the renovations are delayed).

You can stay updated at their website even see the artist impressions of what the complex might look like afterwards.

Massage workshops: *private house event*

The main reason we are sending out this newsletter is to inform you of a planned massage gathering on Sunday the 26th May 2024, starting 2:00pm at Glenn's house at Manor Lakes.

The plan is to do a workshop for the first hour or so which will be by request / majority decision.

Some possible massage workshop options include (unless someone requests another type of massage):

- ten-hand massage workshop,
- a massage train workshop,
- basic massage techniques session,
- or a blindfold massage workshop.

After the workshop there will be a short snack break then continue with massaging till around 5:30pm.

Please note:

- Due to space restrictions the number of attendees will be limited to 12, on a first in basis.
- The gathering will finish around 5:30pm, however you can leave earlier if you need to.

- This is not an official CosieVic event, it is a social gathering for people that like going to CosieVic events as a way to stay connected.
- There is no charge to attend this event, just a food contribution for the snack break is appreciated.
- For those that use public transport (V Line) Wyndham Vale train station is nearby.
If you would like to attend Glenn's event and need a lift from the train station, please let us know in your RSVP
- Please RSVP by email to events@cosievic.org.au by Monday 20th May:
 - Please include your Name and Mobile Number in your RSVP email,
 - Glenn's address will be sent to you by text a couple of days before the gathering.
