

CosieVic Newsletter – November 2023

Woohoo! Only a few days to summer. Summer for me means holiday time. It gives us more time to take our clothes off and relax with friends in the backyard or a pool or a beach. If for some reason you are unable to indulge in holiday time, you can still come and join us at the CosieVic events and enjoy a few hours of naked socialising and activities.

Next Event:

Our next clothing optional event is scheduled for Sunday the 26th of November 2023 at 4:30pm at the regular swim venue.

Thanks for Attending:

The November gathering will be our 11th event for the year. When we started at the beginning of the year, we had no idea if anyone would be interested in continuing attending the clothing optional swim, spa, sauna & massage exchange events out west. Prior to the first event we were a bit worried that no one would show up but we were all surprised (and delighted) that 47 people turned up for our first event. The attendance was slightly higher the following month and it has turned out we have been getting on average 50+ people to each event which has been pleasing for the committee and those that simply come to enjoy the event.

As we are a not-for-profit incorporated entity, the committee decided a few months ago that from time to time we should give something back to our community.

Exciting news:

After a bit of discussion throwing various ideas around, we decided to that the November event will be ½ price, yep that's only \$10.00 per person to enter.

We hope that everyone who has attended during the year takes advantage of the discounted entry. And of course, first timers are also welcome to take advantage of the discounted entry cost.

Moving Forward:

After this event we have one more scheduled for this year which will take place on Sunday 10th of December 2023 at 4:30pm (earlier in the month due to Xmas), please make a note on your diaries.

Next year's events will again be scheduled for the fourth Sunday of the month..... this is subject to agreement with the new pool management..... stay tuned for further updates soon.

Getting Involved:

As most folk now know the swim event now starts at 4:30pm and we have to be finished and packed up by 8:00pm.

The time extension of half an hour has worked well and now gives everyone 3 hours to relax and enjoy swimming, spa-ing, sweating and massaging before we need to focus on starting to pack up by 7:45pm. We encourage everyone who attends CosieVic to assist the regular volunteers with the pack up.

Further to the above if you would like to get more involved with CosieVic feel free to arrive at 4:00pm and help the regular volunteers with setting up the event. For me the enjoyment starts when I arrive to set up and continues right through to when I'm walking out the door to go home.

Promoting Other Events:

As previously advised all participant can take the opportunity to promote other nudist events and gatherings at CosieVic. There is a table provided for you where you can display your promotional materials and take advantage at supper time to make announcements regarding any proposed events if you'd like.

After Event Meal:

If after the event you feel a bit peckish and still feel like doing more socialising, please feel free to come and join us at one of the local restaurants and share in a meal with your fellow CosieVic attendees (*restaurant details will be announced at supper time*). For those that work the following day, the dinners usually wind up by 9:30pm.

Massage Exchange:

This month's massage workshop is going to be facilitated by Nosh, he will be demonstrating sensual massage techniques. Be sure to indulge in the delights of what Nosh will be showing us.

If you are interested in contributing or facilitating a future massage activity or workshop, feel free to approach any of the CosieVic committee (wearing a green wristband) to ask how to get involved.

We look forward to seeing you all at the November social swim event.

Cheers Walter,
on behalf of The CosieVic Committee
